If-clauses - Conditional sentences - Bedingungssätze

Now that you have become a real pro in using if-clauses, it's time to use your new superpower. Your task is to produce an explanation video about all three if-clauses. The content of your video must be connected to our topic **South Africa**.

① Choose a partner for this task.

② Open **the app Plotagon** on your iPad.

③ Now create two characters for your video.

Tip #1

If the app is not on your iPad, open **the app SelfService** and download **Plotagon**.

④ Then choose your first setting.

Tip #2

If it's your first time using **Plotagon**, take a look at the **tutorial**. Just click on the camera symbol in the lower bar and then choose "Tutorial: An Example Plot".

⑤ Now comes the important part. You have to create a plot for your story.

Remember: you have to cover all three if-clauses in a positive and negative statement and it **must be connected** to our topic **South Africa**.

Tip #3

You can use **only the free stuff** in this app! But don't worry, there's enough stuff for creating and producing fantastic videos.

⑥ Last but not least:
Be creative and productive!!! You can do that!!! Believe me!!!

Tipp #4

Don't get too distracted by doing crazy and funny things with your characters! **Stick to your task!!!**

⑦ Make sure you clicked the subtitles on before you download your video!

Tip #5

To **produce a brilliant video**, you can record the dialogues with your own voice instead of using the computer voices.

⑧ When your video is finished, download it and send it to your teacher via **Airdrop**.
