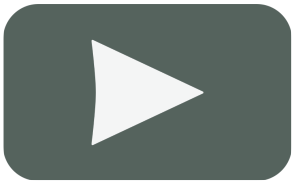
Mum, dad, in my future life I want to be
a youtuber, just like him...



Julian Bam! - **LOVE on the first trick!**

- https://www.youtube.com/watch?v=w3d1HWv-VLU

Task:
Watch the video. Write seven sentences describing what Julian does.
Use different participle constructions. Always write down, what function the participle construction has in your sentence!

Examples:

- Waking up, Julian sits up and yawns → replacing an adverbial clause of time
- In the video, I can see Julian walking to the office → present participle after verbs of perception to describe a continuing action
