About „beat it“

① The song „Beat it“ by Michael Jackson was released and very famous in the 1980s. The 1980s was seen as a period of extensive violent activities in the US.

Micheal repeatedly says, „Just beat it“ in the chorus. What does that mean?

② Read the first verse again.

Explain in a few words: What is the situation?

③ Read the second verse again.

Explain in a few words:  
What is meant by „You Wanna Be Tough, Better Do What You Can“?

④ Read the third verse again.

Explain in a few words:

- What is the situation/problem?
- What is the advice to the person the song is about?

⑤ Read the fourth verse again.

Explain in a few words:  
Why should the person in the song „just beat it“ ('just ignore it/leave it')?
