

Your body language may shape who you are - Amy Cuddy

① You are going to watch a TED Talk. But first we need to talk about some words that you should know.

A **talk** (1) the part of a person that thinks, reasons, feels, and remembers

A **physician** (2) ... means to bring that person in front of court.

To **sue s.o.** (3) When you present something, you can also say, that you give a ... about it.

non verbal expression (4) very sure about what you do and how you look.

mind: (5) you are extremely afraid.

You are **assertive** when you are... (6) is a person who pretends to be someone else.

To be **confident** means... (7) Something that you „say“ but without words.

An **impostor** ... (8) ... is a medical doctor

When you are **terrified** (9) having a feeling or belief that you can do something well or succeed at something

② Pick 4 or 5 words of the above and write a sentences each using it.
