Writing task

Write a review about your chosen song (about 80 -100 words). You may use the work sheet from last week and the vocabulary list of your workbook. Your writing will be marked based on these criteria:

• state what you like / dislike about the song and **give reasons**
• usage of vocabulary from the word list
• usage of linkers to connect your sentences
• overall grammar (tenses, sentence construction, spelling...)

Below are linkers that you <u>can</u> use but you don't have to!

linkers for ordering	linkers for giving reasons	linkers for deducing (schlussfolgern)	linkers to illustrate a contrast
in the first place	as	thus	but
next	since	so	despite (trotz)
additionally	because	therefore	although (obwohl)
finally	because of	in conclusion (schlussendlich)	whereas (wohingegen)

Use the space below to take notes for your ideas as well as to structure your text before writing it down. The information box on the right side might help you. It gives some information about the structure of a song. You can use the underlined words to state your opinion in your review.
