

We are going to watch the video again in three parts. After each part you will get time to tick off the right answer or fill out the gaps.

This is how you will work on each part of the video:

° **Read** all questions and answers carefully before watching. *Sometimes more than one answer can be correct!*

° **Watch** the sequence.

° Tick off the **right answer**. When you have finished, try to answer the *optional* questions on the right as briefly as possible. Then **compare** your results with your partner.
