What is firmly entrenched in the African-American community?

Ghetto -> racism in Chicago (1950)

What created the Ghettos?

immigration

population

white hostility

economic disparities

List three dangerous neighborhoods.

Topicality -> why is the subject of racism still being addressed?

Racism is a significant issue in our society, as people are still discriminated against based on stereotypes and prejudices related to their skin color, origin, or religion. It is crucial to address this problem to promote awareness and equality.

It is important to recognize that, ultimately, we are all human beings of equal worth.
