Dear Diary, I was just reading about a _____ that was committed few days ago. A thief _____ a woman's bag when she was on the train. It had all her most _____ belongings in it like her wallet and personal identification. That's why the _____ ran away with it. After noticing the theft, she went straight to the _____, but they couldn't do anything about it. They said they had no _____. How awful must that be! I can't imagine someone stealing all of my stuff and the police can't do anything about it. How could the thief just steal bags from passengers unnoticed? Hopefully next time, there will be _____ and the _____ will get justice. I will be even more _____ when on the train. I must keep an eye out for everyone so such _____ activities don't happen in my community. I could be the next batman! Oh well, until next time!
