Hello, I am <input type="text"/> , what can I do for you?	Hi, my name is <input type="text"/> and I'd like to book a hotel in <input type="text"/> , please.
In what part of town would you like to stay?	I would like to stay in a central place, please. The plan is to spend 14 nights in the hotel.
Okay, when are you planning to arrive and depart?	My flight will arrive on the 1st of October and I will go back to Germany on the 15th.
Would you prefer a more luxurious hotel or are cheaper options your preference?	I would prefer <input type="text"/> (a luxurious hotel, a mid-price hotel, the cheapest option)
In this case, I can recommend the <input type="text"/> . The 14 nights will cost per (twin room, person).	What is included in the price?
You will get <input type="text"/> (look at descriptions!)	Alright, that sounds good for me. Could you book the <input type="text"/> for me please?
Of course, I can do that. So I will book the <input type="text"/> from the 1st to the 14th of October, which will cost <input type="text"/> .	That sound perfect. Thank you for your help and have a nice day!
You're welcome. If you have any further questions or need help planning your trip, feel free to call me.	That's very nice of you, thank you again. Bye!
