

---

## The Dangers of Social Media ...and how to fix them.

---

### ① Social Media Confessions

- Take a picture/screenshot of the game card.
- Circle your confessions
- Select one tile to share a personal experience around.

### ② Dangers of Social Media Task Forces

Create a poster about „your“ danger and give tips and tricks on how to deal with them.

Be prepared to present your poster in front of the other groups.

### ③ Debating Social Media - Useful Expressions

#### Introducing arguments:

- Let me come to my first/second/.../next argument: ...
- My first/... argument is: ...
- The first/... reason why we're prop/opposing this motion\* is: ...

#### Giving examples:

- There are many examples for this/for ..., for instance...
- In fact, you can find many examples for this in real life. Just think of...
- And there are similar cases, such as ...
- So in this simple example we can clearly see the effect of ...

#### Summarizing & linking the argument:

- So as we have seen ..., and therefore ....
- Now because of this ..., we have to support this motion\*.
- And for all of these reasons, the motion must stand/fall.

#### making/rejecting/accepting/answering arguments:

- Wouldn't you have to agree ...? / Doesn't what you're saying contradict with ...? /
- What about the ...? / How would you explain, that ... ?
- Yes, please. / Go ahead.
- Thank you very much, I'm going to come to this very point in my second argument in a minute.

#### When you need to say something now.

- I'm sorry to interrupt, but you've misunderstood our point.
- Sorry, I just have to disagree with your point.
- Hold on a moment, that's not correct.
- If you would allow me to add a comment here...
