

Summand + Summand = Summe  
 Merke: Beim Addieren  
 kannst du die Summanden  
 tauschen! (Kommutativgesetz)

## Addition

Merke: Addieren bedeutet:  
 Hinzufügen! Also: Plus!  
 +/p

Trage die richtigen Zahlen ein  
 und rechne aus!

Zähle zur Kontrolle nach!

$$\square + \square = \square$$

$$\square + \square = \square$$

$$\square + \square = \square$$

$$\square + \square = \square$$

$$\square + \square = \square$$

$$\square + \square = \square$$

$$\square + \square = \square$$

$$\square + \square = \square$$
