5 I've been dreaming of friendly faces
I've got so much time to kill
Just imagine people laughing
I know some day we will
And even if it's far away
Get me through another day
Cover me in sunshine
Shower me with good times
10 Tell me that the world's been spinning since the beginning
And everything will be alright
Cover me in sunshine
From a distance all these mountains
Are just some tiny hills
Wildflowers, they keep living
15 While they're just standing still
I've been missing yesterday
But what if there's a better place?
Cover me in sunshine
Shower me with good times
20 Tell me that the world's been spinning since the beginning
And everything will be alright
Cover me in sunshine
Shower me with good times
25 Tell me that the world's been spinning since the beginning
And everything will be alright
Cover me in sunshine
Cover me in sunshine
Shower me with good times
30 Tell me that the world's been spinning since the beginning
And everything will be alright
