② **GRAMMAR - Active or passive: Complete the text about The Impact of Technology on Youth with the correct verb forms. Pay attention to the tenses.**

/ 13

Peer pressure _____ (define) as the influence that _____ (apply) by a teenager's peers, such as friends or classmates. It _____ (play) a significant role in the lives of many adolescents, and it _____ (affect) them in various ways.

During adolescence, teenagers _____ (feel) a strong need to fit in and be accepted by their peers. They want to be part of the group and _____ (fear) rejection. This fear _____ (drive) them to sometimes make choices that they _____ (not necessarily agree) with. They often find themselves in situations where they _____ (face) decisions that push them to conform to the expectations of their peer group.

One common example of peer pressure is when a teenager _____ (encourage) to try substances like alcohol or drugs, even if they _____ (know) the risks associated with them. They _____ (believe) that by doing so, they gain acceptance and approval from their friends. Unfortunately, this _____ (lead) to negative consequences, such as addiction or health problems.

③ **GRAMMAR - Peer pressure is not limited to substance use. Use the passive voice to offer general advice to teenagers regarding peer pressure and various aspects of a teenager's life, such as decisions about appearance, relationships, and academic choices. (Write 3 sentences)**

/ 9

Example: Clothing choices should be influenced by personal comfort and individual style, rather than external pressures.
