

## Ms Thomas goes to London

---

### **Planning a sightseeing tour for Ms Thomas:**

Plan a day or an afternoon of sightseeing for Ms Thomas, where you include three different London sights. You have to include the sight you presented with your partner and two more sights that are easy to reach from there.

a. Write a plan with short notes, not full sentences for Ms Thomas to take along.

b. Present your tour as a voice message where you also add some important information about the sights.

#### Follow along the steps:

1. Decide with your partner which three sights you want to include. Find out more about them and how to get there. You can use the padlet for help (the links to the sights' websites and your presentations). Find a good name for your tour.

2. Now decide in what order Ms Thomas should visit the sights. Find out how to get from one to the other. You can also use the link to the „Transport for London“ website on the padlet under „Getting Around“ to help you. Starting point for the tour is „Bethnal Green“ tube station on the Circle Line near Ms Thomas's youth hostel.

3. Write the short, clear notes that Ms Thomas can follow to do your tour.

4. Now record your tour as a friendly voice message. Make sure your message has a good structure. You can use the structure and phrases below for help.

5. Don't forget to save and upload your message to the padlet, post it in Teams or send it to Mrs Wright, thank you.
