

**① Fill in the gaps to conclude the rules! Use the following words:**

You may have to use some words more than once.

two | present | plot | past | future | result

The present perfect simple is used for actions that started in the [ ] and reach up to the [ ].

Actions in present perfect progressive also go on in the [ ].

The past perfect simple is used to describe [ ] [ ] actions. The focus is on the [ ] of the action.

With the past perfect progressive the focus is on the [ ].

**② Choose the correct tense to form a sentence!****Look out for signal words!**
