

**Think:**

Last month, you worked on the project 'How to spend your free time in Leipzig?'

Think back how the working process was for you. Take notes in each part.

**Need help?**

There are
clue cards on
my desk if
you are stuck!

	my reflection
working steps <i>organising your work, allocating roles, tasks</i>	
amount of time duration of the project and the steps, time management, .../	
problems during the work <i>problems you faced</i>	
solutions <i>ways of solving the problems</i>	
evaluating the result(s) <i>outcome of the project (your brochure)</i>	
evaluating the overall work process <i>your work and the work of your group: Where were you successful? Why? Where could you improve and how?</i>

	my reflection
<p>working steps <i>How did you organise your work? What did you do firstly, what came next? ...</i></p>	
<p>amount of time <i>How long did you work on the project? How long did you have for the steps? Which step did take most of the time?...</i></p>	
<p>problems during the work <i>What problems did you face? How big/small were they? .../</i></p>	
<p>solutions <i>How did you solve the problems? Was it difficult? Who was the best problem solver in your group?...</i></p>	
<p>evaluating the result(s) <i>What do you think of/about the brochure you made? What parts do you like? What would you do differently the next time (photos, the topics, the colours, font...)/</i></p>	
<p>evaluating the overall work process Your work: your role in the group, advice to yourself to improve next time The group work: work of your group members, qualities of your group members you liked, working together, advice you give to your group members</p>
