 $\overline{\Box_{Q}}$   $\checkmark$  Read the story and find words from the boxes. 2 Tick the words that you find in the text.

> Last summer, my family and I went on an amazing sightseeing trip to London. We packed our suitcases and made sure to bring our passports because we were going to explore a whole new country as tourists.

Before we left, we bought a guidebook to help us find all the best attractions in the city. We also <sup>5</sup> made sure to pack our camera so we could capture all the beautiful memories.

When we arrived in London, we were amazed by the big and busy streets. The city was full of old and historic buildings mixed with modern and exciting architecture. Everywhere we looked, there was something interesting to see.

We decided to take a bus tour to get a good overview of the city. The tour guide showed us 10 famous landmarks like the Tower of London and Buckingham Palace. We were in awe of the grandness and beauty of these places.

During our trip, we visited many museums and art galleries. We explored the exhibitions and learned so much about the history and culture of London. One of our favourite museums was the British Museum, where we saw ancient mummies from Egypt!

15 One day, we took a walk along the Thames River. We admired the stunning views of the city and crossed over the famous Tower Bridge. It was a great opportunity to take photos and enjoy the fresh air.

In the evenings, we experienced the vibrant nightlife of London. We attended a theatre performance in the West End and were amazed by the talented actors and actresses. It was a night <sup>20</sup> we would never forget.

Of course, we couldn't visit London without trying some of the local cuisine. We ate traditional fish and chips, tried tea with scones, and even had a taste of Indian curry. The flavours were delicious and different from what we were used to.

Our trip to London was truly amazing. We met friendly locals, discovered hidden places in the <sup>25</sup> streets, and had the opportunity to explore a city full of history and culture. It was an experience we will always remember.

As we boarded the plane to go back home, we looked through our photographs and reflected on all the incredible things we had seen and done. London had left a lasting impression on us, and we couldn't wait to share our stories with our friends and family.

30 So if you ever get the chance, make sure to visit London and go sightseeing. You won't be disappointed!
