

- ① An outdoor activity holiday is better than a holiday in a city? Let's find out what you prefer. But first, let's collect ideas together. What can you do in a city? What can you do outdoors?
- Talk to your classmates and collect ideas in the following table.
 - Use your dictionaries if you need to look up words you don't know.
 - Ask your teacher for help.
 - Collect all ideas with your teacher and add ideas to your table.

outdoor activity holiday	holiday in a city
1 Parkouring	1 go shopping
2 rock-climbing	2
3	3
4	4
5	5
6	6
7	7
8	8
9	9
10	10

- ② In order to tell someone what you prefer to do, you can use arguments for your statement. Here you find several arguments for both kinds of holidays. Which one is pro city? Which is pro outdoor? Make a decision and put the correct letter into the box on the left-hand side. C for city holiday, O for outdoor holiday. (1-10)

- You can try new things like rock-climbing or canoeing.
- There are a lot of interesting sights to see, like museums or old buildings.
- I can reach places easily with public transport like buses.
- At night, you can see many lights from all the buildings.
- I love taking pictures of wild animals or beautiful plants.
- I get lots of fresh air. Being outdoors is better for your health.
- I get to try lots of different food that I have not tried before.
- Shopping and Partying is way more fun here compared to my home town.
- It is so calm here. No loud noises.
- I enjoy the beautiful and natural landscape.
