

The image shows a grid of 11 rows and 11 columns of boxes. The top row is shaded gray. The first column contains 11 boxes, each with 4 horizontal lines. The remaining boxes are empty. The grid is used for comparing lines and boxes without a background.

The page contains 12 vertical columns of a grid of small squares. Each column is 10 squares high and 2 squares wide. The columns are arranged in a single row, with a small gap between the first and second columns. The grid is intended for drawing or writing.

The image shows a grid of 12 vertical columns of boxes. Each column is 10 boxes high. The columns are arranged in a staircase pattern from left to right. The first column is full. The second column is missing the bottom box. The third column is missing the bottom two boxes. The fourth column is missing the bottom three boxes. The fifth column is missing the bottom four boxes. The sixth column is missing the bottom five boxes. The seventh column is missing the bottom six boxes. The eighth column is missing the bottom seven boxes. The ninth column is missing the bottom eight boxes. The tenth column is missing the bottom nine boxes. The eleventh column is missing the bottom ten boxes. The twelfth column is missing the bottom eleven boxes.

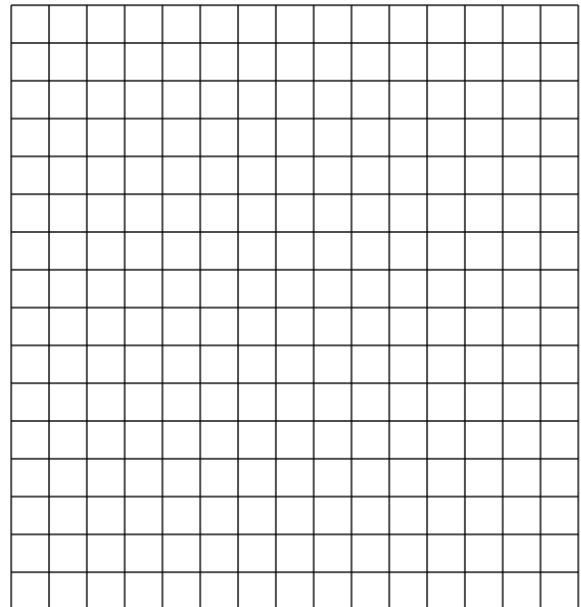

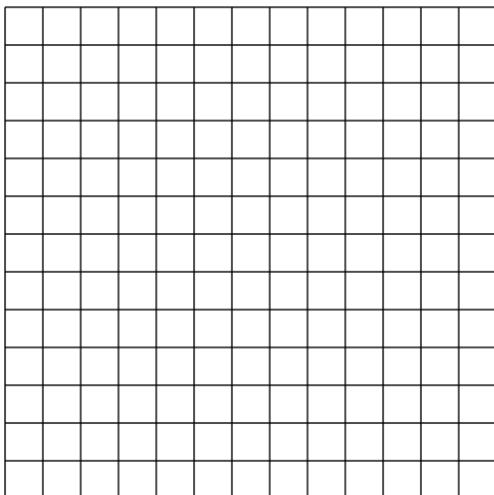

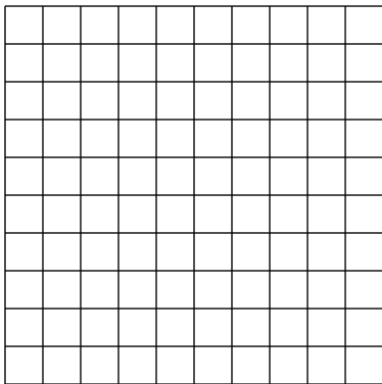

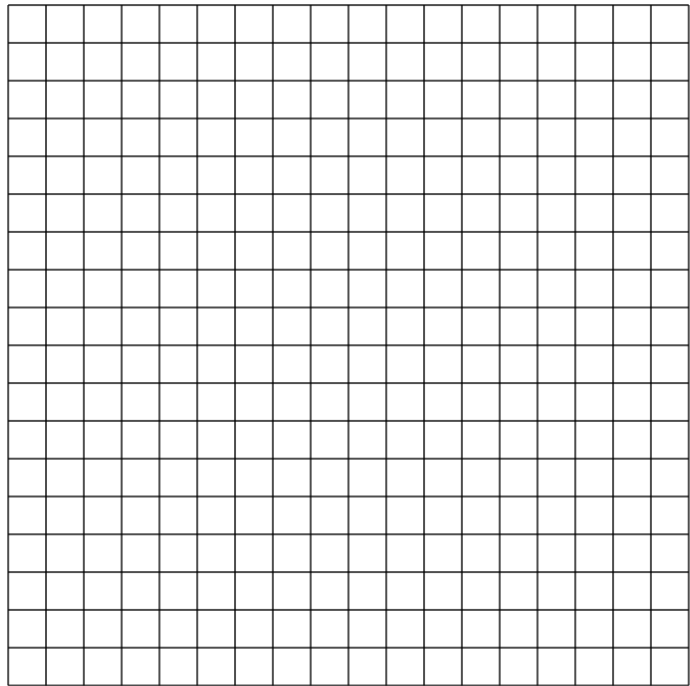

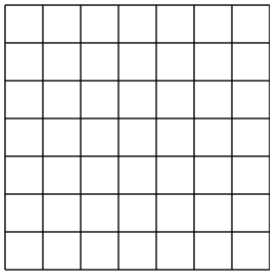

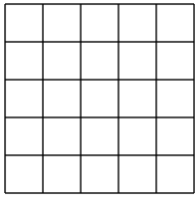

Two vertical 10x10 grids are positioned side-by-side. The left grid is wider than the right grid, with a small gap between them. Both grids consist of 10 rows and 10 columns of empty cells.
